

3's February News

Dear Parents,

In the month of January we learned three new letters; C,E, and Y. We also said good-bye to our friend Kali. We wish her well. She will be missed very much! We also welcomed two new friends to our class; Trey and Zayden. Congratulations and Happy Birthday went out to Samantha and William who turned three in January.

This month we will be very busy! We will be celebrating Valentine's Day and Black History Month. February is also National Dental Month, so we will be learning about good dental hygiene as well. Our new letters for this month will be G,J, and T. In addition to all of these things we will also begin our "Keeping Kids Safe" program for the three and four year olds. If you haven't turned in your letter regarding this program please do so. We must have these in to include your child in the learning of that program. However, if you do not want your child to participate please let us know and we will be happy to provide your child with other activities during this time. Thanks for all of your help regarding this matter. As always, if you have any questions, comments, or concerns please feel free to let me know.

Thank You,
Ms. Carla

*Hope you have a Happy
Valentine's Day!*
